Hello!

I'm Fikri, a **graphic designer**. I have **worked for 2 years** in the advertising field and printing. Visual art is my passion, apart from working, I also frequently work on **projects from clients** and **create something new**.

About Me

I specialize in creating abstract, colorful and eye-catching designs, especially posters. I am good at creating layouts in design and being creative with unusual things. I also like learning new things and adapt quickly.

Social Media Design

Participated as a Thinktank Apparel content creator in the digital marketing bootcamp final project by Belajarlagi and also participated in creating Semaitechnology

Graphic Poster Design

Apart from working as a graphic designer, I frequently create and modify posters, having made more than 15 to date.

Branding Design

In my personal project, I have created 3 brandings, including Eyecontact, Krisubi, and Cakraconnect. Eyecontact is a brand that operates in the counseling sector, Krisubi operates in the food sector, and Cakraconnect operates in the technology, marketing and advertising services sector.

Printed Design

In my 2 years at Faskal Digital Printing and Ikada Printing, I have designed for over 50 clients for various events, consistently earning positive feedback.

3D Realistic Design

I really enjoy 3D design. I studied and created numerous works, including isometric design, landscape design, and product design in 2022 and 2023. I am pleased with the realistic results.

TAHU GAK SIH, APA ITU URBAN FARMING?

Apa itu Urban Farming?

Terus, apa bedanya pertanian biasa dengan Urban Farming?

Selain tanpa menggunakan pestisida dalam prosesnya, Urban Farming juga punya beberapa manfaat lain, lho, seperti:

- Tidak butuh modal besar
- Menciptakan suasana ramah lingkungan
- Menghasilkan produk yang lebih sehat
- Menambah estetika

PRINTED DESIGN

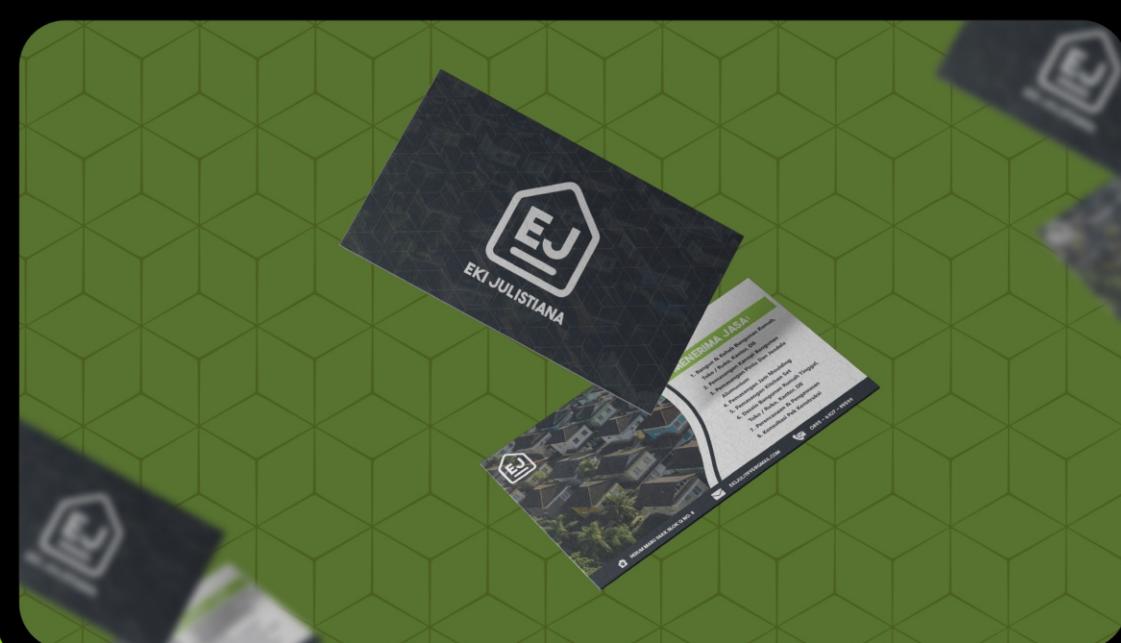

The image displays three printed promotional banners:

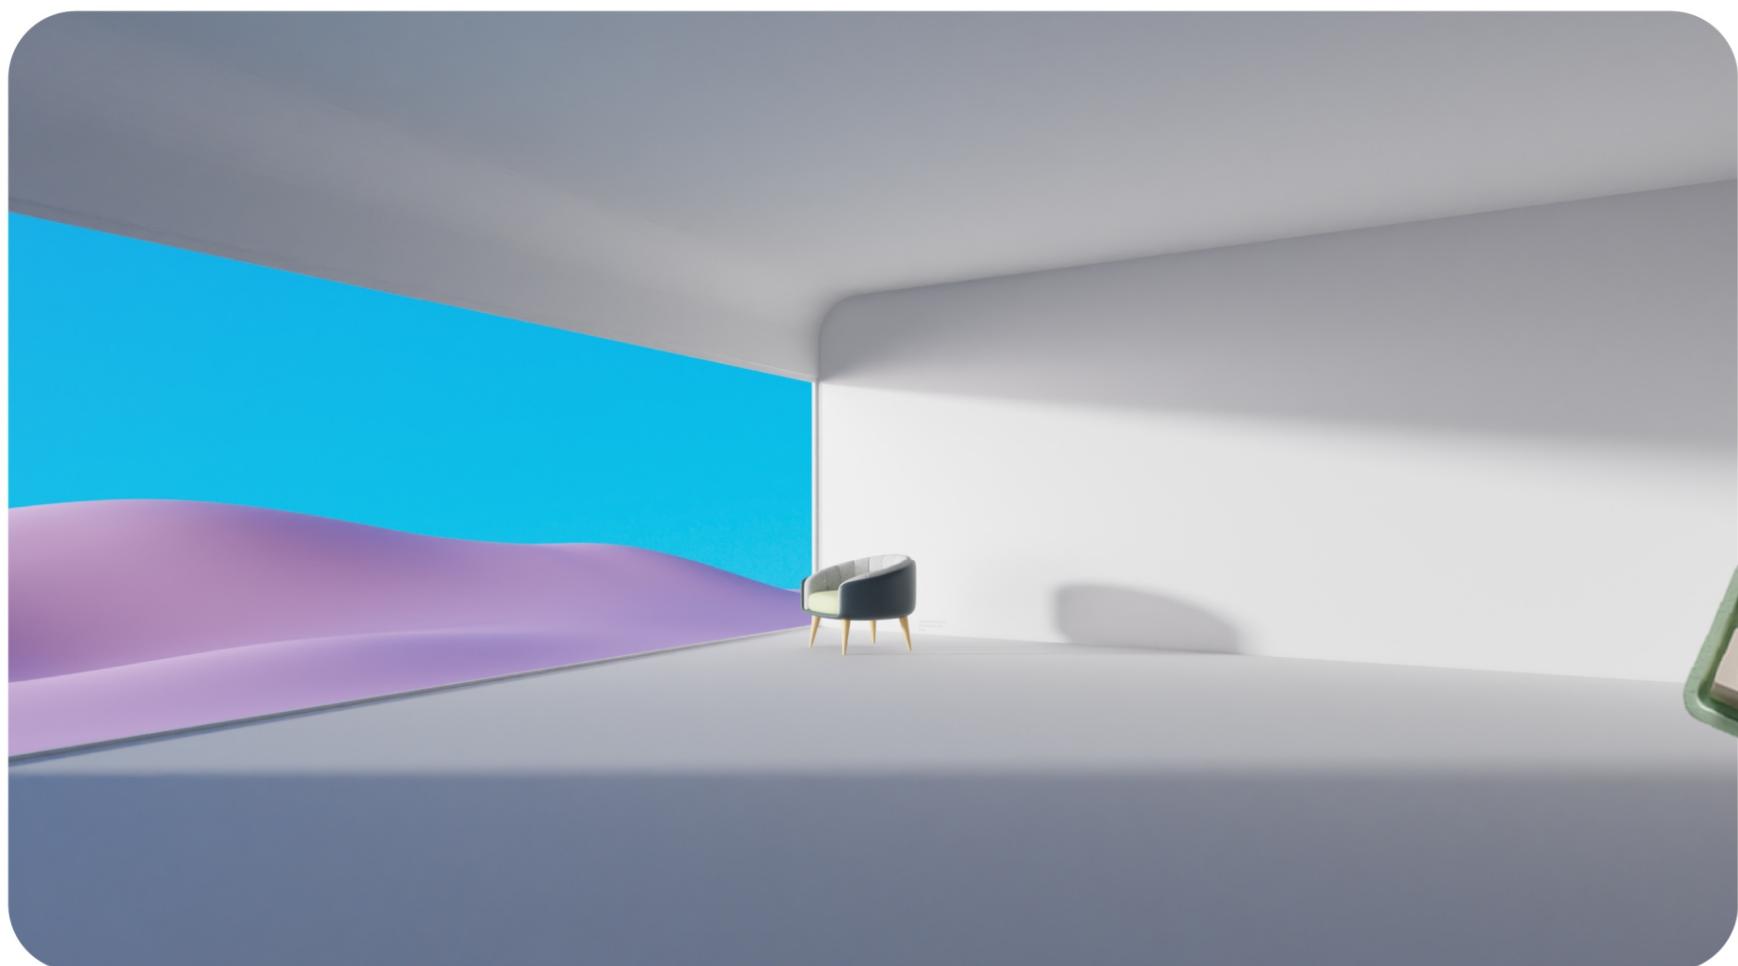

- ESTEH YUMNA** (Es Teh Jumbo): A green banner featuring two large glasses of iced tea with ice cubes. Text on the right side reads "ES TEH VIRAL ASLINYA NYEGERIN".
- KAMPUS LAUNDRY Bu Sania**: A blue banner advertising laundry services. It lists items available in kiloan and satuan, such as "Pakaian", "Gorden", and "Boneka". It also features a washing machine icon and the price "Cuma 5.000 /kg". A checkmark indicates "Bisa Diantar/Jemput".
- CUMA 3000**: A green banner with a large price tag graphic showing "CUMA 3000". It is positioned in front of a stack of folded laundry items and a bottle of detergent.
